

AFPA Industry Golf Day*

Victoria Sponsorship Guide | 2026

KEW GOLF COURSE - 14 AUGUST 2026

About the Event

A vital forum where influential professionals of Australia's multibillion-dollar flexible pavement sector

The AfPA Victoria Golf Day is a cornerstone of the infrastructure calendar. It serves as a vital forum where influential professionals of Australia's multibillion-dollar flexible pavement sector step out of the boardroom to connect with industry colleagues on the green.

For over 50 years, AfPA has set the benchmarks for flexible pavement safety, sustainability, and innovation. In an industry defined by long-term cycles and shared technical goals, this event provides a unique environment to bridge the gap between industry leadership, supply chain service providers, State road authorities, and Local Government.

Event Details

- **Location:** Kew Golf Club – 120 Belford Road, Kew East VIC 3102
- **Date:** 14 August 2026
- **Format:** A relaxed day of networking and relationship building, designed to foster collaboration in a professional setting. Ambrose format with secret handicapping.

Your Audience

A strategic gathering of the professionals who design, fund, and deliver Australia's road infrastructure.

The AfPA Golf Day is a strategic gathering of the professionals who design, fund, and deliver Australia's road infrastructure. This event facilitates direct engagement with a high-calibre delegation, including:

- **Private Industry Leadership:** CEOs, Managing Directors, and General Managers from Tier-1 and Tier-2 Civil Contracting firms
- **Government & Authorities:** Senior Executives from State Road Authorities, plus Directors of Infrastructure and Engineering from Metropolitan and Regional Councils
- **Technical & Operational Leads:** National Technical Managers, Chief Engineers, and State Operations Managers who dictate material standards and project delivery methods
- **Sustainability & Innovation Specialists:** Procurement Leads and Sustainability Managers focused on the next generation of recycled materials and low-carbon pavement solutions

The Value of Partnership

Align your brand with the industry's most respected advocacy and technical body.

As we continue to advocate for a safer, more sustainable road network, we invite you to take a seat at the table—and a place on the green. Partnering with AfPA for this event aligns your brand with the industry's most respected advocacy and technical body.

- **Strategic Brand Alignment:** Position your organisation alongside the peak body representing the entire flexible pavement supply chain
- **Targeted Industry Engagement:** Access a concentrated audience of corporate executives and key decision-makers
- **Facilitating Knowledge Sharing:** Support an environment that fosters the collaboration and innovation required to advance flexible pavement technology
- **National Reach, Local Impact:** Benefit from AfPA's significant national footprint while engaging directly with the Victorian market's most influential figures
