Road Maintenance Symposium NSW 2026

Tamworth, New South Wales

The Road Maintenance Symposium 2026 is a one-day, practical industry forum for professionals delivering and managing road maintenance and rehabilitation works across regional and local government road networks in New South Wales.

Organised jointly by the Australian Flexible Pavement Association (AfPA), Pavement Recycling & Stabilisation Association (AustStab) and Institute of Public Works Engineering Australasia (IPWEA) NSW/ACT, the Symposium brings together councils, state road authorities, contractors, consultants and suppliers to share knowledge and advance constructable, cost-effective approaches across:

- Routine and reactive road maintenance programs
- Pavement rehabilitation and life-extension works
- Pavement recycling and reuse of in-situ materials
- Stabilisation techniques that improve pavement performance, resilience and whole-of-life value

Sponsoring the Road Maintenance Symposium 2026 puts your brand in front of a highly targeted, decision-making audience – and positions your organisation at the centre of one of the most relevant and targeted road maintenance events in New South Wales.

Why Sponsor the Road Maintenance Symposium NSW?

Sponsoring the Road Maintenance Symposium gives your organisation direct, meaningful access to the decision-makers and delivery professionals shaping road maintenance and rehabilitation across New South Wales' regional and local government networks.

- Direct access to councils and road authorities planning and delivering maintenance and rehabilitation works
- Strong alignment with in-situ construction, pavement recycling and stabilisation methodologies
- Visibility with engineers and asset managers who influence specifications and procurement decisions
- Opportunity to position your organisation as a practical delivery partner – not just a supplier
- Association with three of Australia's most trusted road and pavement industry bodies: AfPA, AustStab and IPWEA NSW/ACT

RMS NSW 2026 Sponsorship Packages

Principal Partner – \$4300 + GST

Best suited to major contractors, materials suppliers or service providers seeking maximum visibility with councils and road authorities delivering maintenance and rehabilitation programs. The Principal Partner package is the highest-profile sponsorship opportunity at the Road Maintenance Symposium 2026, offering a presenting role, exhibitor presence and broad brand recognition across all event channels.

Inclusions

- Named as the Principal Partner of the Road Maintenance Symposium 2026
- 5-minute sponsor address aligned to delivery outcomes, project experience or innovation
- Opportunity to introduce the opening speaker
- Exhibitor space at the event
- Banner display rights at the venue
- Logo recognition across all Road Maintenance Symposium marketing and communications
- Two (2) complimentary event registrations
- Access to the attendee list (name, organisation and role only)
- Acknowledgement across AfPA, AustStab and IPWEA NSW/ACT digital and social channels

Gold Sponsor – \$3300 + GST

Suited to contractors, specialist subcontractors and product suppliers seeking targeted exposure to engineers and asset managers responsible for pavement rehabilitation and renewal works.

Inclusions

- Named as a Gold Sponsor of the Road Maintenance Symposium 2026
- 2-minute sponsor address aligned to delivery outcomes, project experience or innovation
- Banner display rights at the venue
- Logo recognition on all event materials and communications
- One (1) complimentary event registration
- Access to the attendee list (name, organisation and role only)
- Acknowledgement across AfPA, AustStab and IPWEA NSW/ACT digital and social channels

Networking Sponsor – Lunch – \$2400 + GST

Well suited to contractors and suppliers seeking informal, high-quality engagement with council and road authority representatives.

Inclusions

- Named as the Lunch Networking Sponsor of the Road Maintenance Symposium 2026
- Brand recognition throughout the scheduled networking lunch
- Address audience just before lunch break
- Banner display rights in the catering area
- One (1) complimentary event registration
